Homecoming '60 Set for Oct. 29

By GLENN CLAUSEN '60

It ain't for the knowledge that you're coming back to college, but you're coming back to raise a little whoopee at Homecoming '60 from Friday, October 28 till Sunday, October 30.

The weekend will get off to a blazing start with the pre-game bonfire pep rally at 8 p.m. (d.s.t.) Friday. This should help to strengthen your vocal cords for the next day's main event—the clash between the Pumas and Ball State Teachers College.

St. Joseph's gridders will be trying for an Indiana conference win when they meet Ball State on Saturday at 2 p.m. Ball State and St. Joseph's have met 15 times since 1924, the Pumas took seven of the games and tied in three others. St. Joseph's won last year's game, 22-8. The Pumas tied for third in the Indiana Collegiate Conference race last year, while their Homecoming opponents wound up in a tie for sixth place.

This 20th annual Homecoming game will be an important one for St. Joseph's; it could well determine this year's slot in the ICC standings.

Puma seniors are planning to make the Homecoming weekend a big blow-out. In cooperation with the Student Council and other campus clubs, the senior class of St. Joseph's is striving to give the returning alumni a weekend to remember.

For example, before the football tilt on Saturday returning band

members can hop over to the open house to be held in the music department for all band alumni. The Board of Directors of the St. Joseph's Alumni Association will hold their annual Homecoming meeting in the library at 11 a.m. on Saturday. The Lake County club will hold alumni registration both Friday and Saturday in front of the bookstore, at the game and the Homecoming dance.

An informal cocktail party will be thrown in the Rec hall after the game for the hoarse Alumni and seniors. While you're lubricating your tonsils you can renew old friendships in a swinging atmosphere. There is never a dull moment at a Puma party!

After a sojourn into the land of mystery meat and other delicacies, there will be a short breather until the big blast at 9 p.m. Yes, you will have a ball at the Homecoming dance! For four hours you can have a ball in the social world of the Puma Rec hall.

At noon on Sunday (c.s.t.) the Very Rev. Raphael H. Gross, C.P.P.S., president of the college, will celebrate Mass in honor of the living and deceased Alumni of St. Joseph's College. Sunday afternoon will be devoted to a campus open house with members of the Courier club taking Alumni on guided tours of the campus.

Piero Out for Season

BULLETIN—OCT. 11

Bob Piero, senior halfback, sustained a shoulder separation at practice Monday afternoon and will play no more football for the Pumas this year. The injury required an operation, which was performed Wednesday evening at eight o'clock. Piero acquired the injury when he fell, landing on his shoulder, after leaping to catch a pass.

70th School Year Opens

St. Joseph's 70th school year officially began September 14 with the traditional Solemn High Mass, celebrated by the Very Rev. Raphael H. Gross, C.P.P.S., St. Joseph's President, in the fieldhouse.

Seven new faculty members also answered the call that day.

Fr. Ralph C. Bushell, C.P.P.S., has been appointed director of guidance and instructor in education. Father Bushell received a B.S. in education from Marian College in Fond du Lac, Wis., in 1954.

John A. Delehanty will be an instructor in economics. Delehanty received his M.A. in 1956 from the University of Miami (Fla.) and is a candidate for the Ph.D. in economics at the University of Indiana.

Stanley Koziol, who received an M.A. in accounting at Northwestern this year, has been appointed as an instructor in accounting.

Fr. Frederick Lang, C.P.P.S., will be an instructor in Latin. Father Lang has done parish work for the past six years in Detroit, Kansas, and Ohio.

Appointed as an instructor in economics and finance is Patrick J. Lynch, who is a candidate for the Ph.D. at Purdue University. Mr. Lynch is a 1958 graduate of St. Joseph's.

Ralph A. Marini will be an instructor in business administration. He received a master's degree in business administration from Marquette University last February and taught at Bellarmine College in Louisville, Ky. last semester.

James A. O'Brien, '58, has been appointed instructor in English and assistant director of the News Bureau. O'Brien received an M.A. in English last June from the University of Cincinnati. (See Sept. issue of Contact . . . Ed.)

In addition to the new faculty members, four former St. Joseph's professors have returned this year.

Fr. Aloys H. Dirksen, C.P.P.S., president of St. Joseph's from 1938 to 1944, has been appointed professor of religion. Father Dirksen has taught theology at Notre Dame and St. Charles Seminary in Carthage, Ohio since leaving St. Joseph's.

Fr. Cletus Dirksen, C.P.P.S., will resume his post as associate professor of political science after a

two-year leave of absence. Father Dirksen received the Ph.D. in political science in 1947 from Notre Dame.

Fr. Joseph Otte, C.P.P.S., associate professor and chairman of the department of accounting, will resume his post after a year's leave of absence. Father Otte received the M.B.A. from the University of Michigan in 1942.

Mrs. Ralph Cappuccilli, who received her A.B. and A.M. from the University of Toledo, will teach introductory Spanish.

Absent on leave this year are Fr. Bernard J. Meiring, C.P.P.S., former guidance director and instructor in education who is working on his Ph.D. at the University of California; Fr. Aloysius F. O'Dell, C.P.P.S., instructor in religion who is studying in Rome; and Fr. Paul R. White, C.P.P.S., assistant professor of economics who is studying for a Ph.D. at Cornell University.

Faculty members leaving are: Dr. Francis Dance, who will continue his teaching career at the University of Kansas; Mr. Curtis H. Stanley, who will teach at the University of Southern California and Dr. Allen J. Twark, who will do research work in economics.

Dr. Morell Writes Book

Robert W. Morell, Ph.D., chairman of the department of business administration at St. Joseph's College, has been appointed consulting editor by the Bruce Publishing Company (Milwaukee) of a new textbook series which will attempt to cover the fields of management, marketing, finance, economics, accounting, and statistics. It is the goal of the Bruce Publishing Co. and Dr. Morell to develop a list of titles in these fields which will stand as a contribution to the existing literature and will add to the prestige of St. Joseph's College and the Bruce Publishing Company.

The first book in the new series is Dr. Morell's text (June, 1960) entitled "Managerial Decision Making." Dr. Morell's text offers the principles of rational method for business decision-making; it also includes case studies to give the reader practice in the solution of typical managerial problems.

Its Official-SJ Enrollment Sets Another Record

Full. That's the word which most accurately describes St. Joseph's residence halls as the new school year swings into high gear. As the students returned on Sept. 14 it was evident that St. Joe's campus was host to a record number of hopeful students. The facts have now been collected to prove what was evident to most students from the first.

Their are now 1,110 students attending St. Joseph's as compared to 1,088 last year. This can be broken down in 347 freshmen, 307 sophomores, 183 juniors, 172 seniors, and 12 special students.

While the total number of students has increased there were actually fewer new students admitted this year than last. There were 457 new students last year, which was a record year, and this year only 417 new students were admitted. This was due to the large number of returning students.

Besides the crowded dorms St. Joe's has 63 day students and 23 students who are living in private homes in or about Rensselaer. There are also 57 seminary students in Xavier hall.

St. Joseph's, besides having a record number of students, also had a record number of applicants. There were 1133 prospective students who applied this year, and of these only 39% or 445 of the applications were accepted and registered.

While the overall number of students increased, the number of female students showed a decrease—from 23 last year to 22 this year. Should this decrease prevail, by 1983 St. Joe will once again be a men only institution.

Ralph Parker writes, "Noticed the tennis article in the April Contact regarding the revival of tennis and the observation that tennis had never been very successful at St. Joe. It might be of interest to the present students and also bring back a few memories to the old timers that St. Joe had some pretty fair athletic teams, tennis included, around 1942. The tennis team in 1942 missed annexing the Indiana Conference crown by losing the last match of the season 2-5 to DePauw after having beaten Butler, Indiana State, and Wabash twice, all by identical 4-3 scores. The team also defeated non-conference opponents from the University of Detroit, Chicago Teachers and Illinois State Normal. A quadrangular meet with Manchester, Huntington, and Taylor was won by the St. Joe squad. The baseball team won the ICC championship after knocking off Purdue 8-2 in the opening warm-up game. (Incidentally, the 1942 baseball squad's picture in the 1943 annual had one 3rd baseman unidentified — Gil Hodges, '45). The football squad kept pace in the fall of 1942 by extending the 1941 undefeated skein through the second straight year." (Mr. Parker was a three year veteran of the tennis team by 1942 . . . Ed.)

ST. JOSEPH'S COLLEGE

Expected to see plenty of action for the Pumas in the Homecoming Game are John Mirocha (23), South Bend, Ind.; George Connelly (24), Chicago, Ill.; Bob Piero (25), Canton, Ohio; and Ralph Gardner (10), Gary, Ind.

Pumas Upset Bulldogs

Lose 0-20 to N.E. Mo.

Tie DePauw 7-7

Two inspired platoons of Pumas scored three touchdowns in the second half to upset heavily favored Butler, 24-6, October 1 in the Butler Bowl, before a crowd of close to 7000.

Butler's 14 game winning streak appeared to be safe when they marched downfield for a touchdown the first time they got their hands on the ball. But after the first touchdown the game was dominated by the Pumas, who frustrated Butler's try for their 15th win in a row.

The Bulldogs opened the scoring by driving 78 yards to paydirt the first time they had the ball. Halfback Elmer O'Banion slashed the last ten yards for the T.D. Butler only managed to pick up 15 yards rushing after their T.D. march, which shows the determination of the Puma defenders.

Puma rooters had to wait until the second quarter when Dave Beran split the up-rights for a field-goal from 25 yards out, after the Bulldog's had stopped the Big Red on the 9. Another chance was given the Pumas when fullback George Connelly picked off a Bulldog pass on the Butler 15. The Pumas drove within the 10 but were stopped and then watched as Beran missed an attempted field goal. In the closing minutes of the first half the large crowd was stunned when Puma guard Vince Goeddeke leaped over a Bulldog defender to block a punt on the Butler 40.

Marching down to the Puma 17 the Bulldog's lost the ball on downs, to open the second half. Starting a drive of their own the Pumas drove deep into Butler territory only to have Butler halfback Mickey Seal intercept a Gardner pass on the 1 yard line and return it to the 5.

Minutes later Puma back Dennis Houlihan intercepted a pass on the Butler 20 and returned it to the 11. The Pumas were previously stopped three times inside the Butler ten but were not to be denied this time as they drove to the two, from where George Connelly scored the touchdown.

In the 4th quarter Madden's punt from the Butler 48 was touched by the Bulldog's Carr, on the 2. Carr failed to gain possession and Puma tackle Vic Roos fell on it. Connelly plunged over from the 1 yard line. Beran added the extra point.

A fresh unit of Pumas held the Bulldog's, thus forcing them to punt to the St. Joe 38, from where the Pumas started their last TD drive. Houlihan capped the march by going the final 25 yards for the score. Beran added his third extra point.

Hard charging George Connelly led the Puma ground-gainers with 68 yards of the Pumas total of 226 yards rushing. He averaged 3.16 yards per carry. John Mirocha, promising sophomore, picked up 53 yards, while averaging 5.88 yards per carry. Piero gained 45 yards for an average of 4.09. Puma quarterback Ralph Gardner again had a .500 average as he completed 5 out of ten passes.

ST. JOSEPH'S vs. N.E. MO.
It was a sad day at Pumaville Sept. 18 as N. E. Missouri, led by spectacular Dale Mills, took a 20-0 victory over St. Joe. Mills himself put the Pumas through the mill as he gained a total of 159 yards. The punchless Pumas were deep in Missouri territory several times but failed to take advantage of the opportunity.

Northeast Missouri opened the scoring in the second quarter as fullback Minton plunged over from the one yard line. Dale Mills had spearheaded the drive by his hard rushing on the T. D. march. Miller kicked the extra point.

WHEATON 20-ST. JOE 13

Bulletin . . . Oct. 8—The Wheaton Crusaders dumped the St. Joe Pumas today, by a score of 20-13. This non-conference loss gave St. Joe a 1-2-1 record.

A leaky pass defense and three fumbles on the part of the Pumas enabled the Crusaders to score three touchdowns in the first half. St. Joe scored touchdowns in the second and third quarters.

The stingy Puma line gave up only 76 yards on the ground but the Crusaders were able to pile up 119 yards through the air. Fullback George Connelly, who scored one touchdown, averaged 5.5 yards per carry. Halfback Bob Piero, who scored the other Puma touchdown, averaged 4.8 yards per carry.

Late in the second quarter Puma guard Jim Dempsey recovered a fumble by Missouri's Mills deep in Missouri territory but the Pumas were unable to cross the Bulldog goal line. The recovered fumble, no doubt, was the Pumas' biggest break of the first half.

Midway through the fourth quarter Mills skirted around end for 5 yards and the touchdown. Miller again booted the extra point. Minutes before the game ended the Pumas seemingly had Missouri quarterback Jack Ball trapped deep in his own backfield only to see him weave in and out for 29 yards and another T. D. The try for the conversion was blocked by the rugged Dempsey.

ST. JOSEPH'S vs. DEPAUW

St. Joe opened the ICC season at Pumaville Sept. 24 with a 7-7 tie against the DePauw Tigers. The hard charging Puma line held DePauw to a very low total of 63 yards gained and only 2 first downs. Throughout the afternoon the Tiger quarterbacks were harassed by the aggressive Pumas.

The first half was mostly a battle of determined defensive lines. Early in the first quarter, DePauw's Perry Gillette blocked a punt on the Puma 19. But the threat was halted when DePauw quarterback Rubush fumbled and Puma end Mick Byrne recovered.

Lightning fast action highlighted the second quarter. Puma tackle Dennis Mudd made the DePauw quarterback eat the ball on two successive plays for a total of 20 yards. Ralph Gardner, Puma Q.B., stopped a DePauw drive by intercepting a pass on the Puma 11 yard line after DePauw had picked up a bad pass from center on the Puma 20. A Puma drive late in the first half ended when an attempted field goal by Beran was blocked by DePauw's Gillette.

DePauw opened the scoring in the third quarter when halfback Sketters lateraled to Morrison on the 6, Morrison carrying for the touchdown. The play covered 18 yards. Hart kicked the extra point. The touchdown was made possible by a punt return to the Puma 24.

St. Joe's touchdown late in the game was spearheaded by the hard driving fullback George Connelly. The T.D. march started on the DePauw 47 and was capped as Gardner danced into the end zone from the 7 yard line. Beran added the conversion with only minutes remaining. DePauw fumbled the kickoff but recovered, and ran out the clock.

George Connelly led the Pumas with 66 yards and a 4.13 average.
